1. Please show how you applied a Markdown File to a piece of your code.

```
1  #Tally Counter
2
3
4  Introducing our new tally counter app, designed with utmost simplicity and user-friendliness in mind. This
   intuitive app streamlines the counting process, catering to users seeking a straightforward solution for their
   tallying needs. Its minimalistic interface ensures a seamless experience, allowing users to effortlessly
   increase or decrease counts in precise increments of 5 with just a single tap. This specialized functionality
   makes it ideal for scenarios where accurate tracking in increments of 5 is crucial. Whether you're keeping tabs
   on attendance, inventory, or any other task that requires efficient counting, our tally counter app offers a
   seamless and uncomplicated solution, enhancing productivity while maintaining ease of use.
